Fiscal Analysis

ASSUMPTIONS:

If those counties that are not required to have a county auditor under section 7-6-2401 choose to create one, the salary of the created position would be subject to section 7-4-2503 (compensation for elected county officials).

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

- Counties that opt to create a county auditor position, when they are not required to do so under section 7-6-2401, would experience additional costs related to salaries and other costs to maintain the position. Such costs would vary from county to county depending on the salary structure of each county pursuant to section 7-4-2503. Total impact on local governments is not determinable.
